

Lean Into the Light

LOVE.
HOPE.
PEACE.
UNITY.
JOY.

We are Grants Pass Remembrance and we love our community! We walk in the spirit of our Sunrise Community - a community where everyone can feel safe, respected, and at home. This year our theme is Lean into the Light. As sunflowers follow the sun, we join together to lean into the light of the many, many good things that help Grants Pass be a thriving community for all of us. Let's join together in leaning into love, hope, peace, and unity as we live together in this beautiful community that we all love!

Join us in handing out sunflower seeds, paper sunflowers, and origami peace cranes!
